# MONDAY'S

## Bollywood Dance

Get your groove on and join this fun, playful and energetic Bollywood dance class. Learn the basic elements of Bollywood dance including neck and head movements, facial expression and foot movements, while also using props such as scarves and dandiya sticks. Learn some traditional and popular dance moves and key words in Hindi from Bollywood cinema. The music selection and level of choreography will match the energy and technical ability of the students. The young participants will get the opportunity to immerse themselves into the fun, colourful culture while dancing their hearts away. Watch their energy and coordination levels soar as they get their groove on. Most importantly, the instructor Karima Essa will lead a student performance at the end of the batch on **Monday, May 25th, 2020.**

*"Karima had the students fully engaged in her performance. She was charismatic and funny and her show had just the right amount of watch-and-learn and follow-me! The Students and Staff were entertained and learned about the magic of communicating through music!" – Lakewood Elementary School, Victoria*

Gr.	Day	Time	Rm.	Dates	# of Sessions	Price
Gr. 2–5	Monday	3:00PM–4:15PM	Gym	April 6–May 25	6	\$60

No program on April 13 and May 18

Minimum: 8 Maximum: 25

## Mad Science

The "Crazy Chem Works" program offers exciting, hands-on science-based activities. Watch fascinating demonstrations, join enquiry-based discussions, participate in individual and group experiments, and make amazing take-homes. Bring out the scientist in you by learning how a lab works, manipulate matter, understand the significance of pH, learn about junior reactors and much more! This program will spark the curiosity and imagination of the students with fun science activities and help them understand the world around them.

# TUESDAY'S

## 2in 1 SOCCER

©DESIGNALIKE

Soccer2in1 Academy is excited to introduce an after-school program, that is fun and allows students to learn new skills. The program teaches athletes the necessary fundamentals required to succeed in the sport of Soccer. It will introduce the basics of soccer to kids who are new to soccer and develop the skills of those who have already been playing. The program also teaches students self-discipline and how to work as a team. However, the main aim of the program is to make learning FUN, which is what these classes will be all about.

Gr.	Day	Time	Rm.	Dates	# of Sessions	Price
K-5	Tuesday	3:00PM-4:00PM	Gym	April 7 – May 26	8	\$85

**Minimum: 5 Maximum: 12**

## Arts & Crafts

Let's get Crafty! Continuing our popular Tuesday afternoons with some fun and exciting crafts. Students will learn and create new projects every week, using different techniques such as drawing, painting, colouring, stamping, making cards or collages. With a different theme each week they are destined to return with a souvenir or two. Snacks will be provided and all materials are included in the registration fees.

Gr.	Day	Time	Rm.	Dates	# of Sessions	Price
K-3	Tuesday	3:00PM-4:00PM	Room 108	April 7 – May 26	8	\$60

**Minimum: 8 Maximum: 10**

# WEDNESDAY'S

## Sculpture Lab

A new introduction to the Spring after school program. **Build, Create and Educate!** In this tactile sculpture art class, students will learn about different artists and create in 3D. They will create unique structures and monuments from different materials. Using clay, papier mâché, recycled goods and more. Get your creative juices burning and build just about anything your imagination dreams up!

Gr.	Day	Time	Rm.	Dates	# of Sessions	Price
Gr. 1—5	Wednesday	3:00PM-4:00PM	Room 202	April 8—May 27	8	\$95

**Minimum: 4 Maximum: 12**

## Excel Basketball

Back again by popular demand- Excel Basketball is a fun, not-for-profit program that allows students to learn new skills. The program teaches players the necessary fundamentals required to succeed in sport of basketball. Teaching basic skills and concepts through a series of progressive lesson plans, players learn the premise of sound decision-making and strategy. Join Coach Michel in this fun and exciting program!

Gr.	Day	Time	Rm.	Dates	# of Sessions	Price
Gr. 1—5	Wednesday	3:00PM—4:00PM	Gym	April 8—May 27	8	\$45

**Minimum: 10 Maximum: 24**

## Bricks 4 Kids : SPACE ADVENTURES

Many children dream of being an astronaut and travelling to space, so Bricks4Kidz created an entire unit around space! Heavily Inspired by NASA and Star Wars™, the Space Adventures theme is packed full of models that will make your imagination blast off! Each class, students will learn about real-life space exploration and build models related to the NASA space program, which could include a satellite, a lunar module, a centrifuge which astronauts use to prepare for the physical sensations of launch, a treadmill which astronauts use to stay fit in space, and a “space robot”. Are you an adventurer who loves space exploration? If yes, then come join the program and launch your imagination to outer-space and beyond!

Gr.	Day	Time	Rm.	Dates	# of Sessions	Price
Gr. K—5	Wednesday	3:00PM—4:00PM	108	April 8—May 27	8	\$95

**Minimum: 6 Maximum: 12**

# THURSDAY'S

## Animation Level 2

Level Up! Dive into character development and animation in this second level.

In this program students will have a quick review of animation concepts and learn in-depth digital illustration, storytelling, and how to create a storyboard. Physics and character movement will be the main objectives to pursue in these classes. By the end of the program, students will have created a character and a short story, which they get to take home. Zen Maker Lab will provide tablets/iPads and laptops. The program emphasizes Zen Maker Lab's approach to integrating Design, Make and Play™ curriculum and STEM (Science, Technology, Engineering, and Mathematics) approach with ART to create. If you haven't done Animation before, don't worry, the instructor will be providing an overview and help you throughout the course.

Gr.	Day	Time	Rm.	Dates	# of Sessions	Price
Gr. 3—5	Thursday	3:00PM—4:30PM	Rm 202	April 9—May 28	8	\$100

Minimum: 8 Maximum: 12

**Reduced rate for Spring 2020: This program is made possible through funding provided by the Government of British Columbia and support from the BC Recreation and Parks Association (BCRPA)**

No program on April 10th, 17th & May 29th

Minimum: 8 Maximum: 15

**All registrations are on a first come, first serve basis.**

**Reduced rates for Spring 2020: Some of the programs are made possible through funding provided by the Government of British Columbia and support from the BC Recreation and Parks Association (BCRPA)**

## How to Register

Our **Community School After School Programs Registration** is online and will accept payment using **Visa; MasterCard or Interac/Debit** from most major banks.

You will require an email address in order to receive your confirmation number and to be able print out a receipt for your payment.

To access the registration website please **visit the James Park Community School website and click on the “Community Programs” button on the homepage.**

If you do not wish to register online there is still an option to register by filling out the paper registration forms. They are located on the James Park Community School website on the Community Programs Page or can be picked up at the James Park Community School office.

Please return completed forms and payments to the James Park Community School office. You have the option to pay by cash or cheque made payable to **School District 43 Community Programs**

**Refund/Cancellation Policy:** We will gladly refund your account, for any reason, within the registration period. Refunds will be pro-rated and subject to a \$5.00 administration fee for cancellation after the start of programs. No refunds will be given on the day of the second class or later.

**All registrations are on first come, first serve basis.**

**Should you have any questions, please contact Simran Sidhu**
