ReadMakePlay

Read, Make, Play is full of fun sessions where each week we explore an amazing picture book, and then challenge ourselves to be engineers, architects, illustrators, inventors, and creators. This program includes lots of hands-on building and creating and is perfect for that imaginative reader in all of us.

***Early Dismissal on October 5 at 1:45**

Wednesdays	K—1	3:00—4:00	Sept. 28—Oct. 26	5	\$120	Library

Junior Coding - Mission Code Breaker

Kids love secret codes and puzzles, and we'll explore all sorts of codes and mysteries that existed before computer programming like morse, nautical flags, trail markers, baseball signals, code wheels, treasure maps, and more. Using creative storytelling, each week our robots will learn how to crack another mysterious code or puzzle while we learn how to program the robots.

WARRIOR

This empowerment program aims to benefit your child emotionally, mentally, and physically through Jujitsu Martial Arts. The values of martial arts such as respect and self-defense will be discussed in a welcoming environment, but confidence, self-awareness and proper goal setting approaches will also be incorporated in the discussion as these are important lessons that help students mature. The student will learn practical self-defense skills through technical drills, workouts, and games. These skills will focus on both grappling and striking techniques. Come prepared to find your "Inner Warrior."
