K-POP DANCE W/ NOOMA SPACE

K-Pop is one of the most popular dance styles in the world right now, and kids love it. From catchy music to powerful moves, this program introduces dancers to K-Pop choreography while building coordination, rhythm, and self-expression. Inspired by the excitement and storytelling kids see in K-Pop culture (and movies like K-Pop Demon Hunters), classes focus on fun routines, teamwork, and performing with confidence — not perfection. Dancers are encouraged to move big, try new things, and be themselves in a supportive, positive space. Great for kids who love music, movement, and bringing their personality into their dancing.
