LACROSSE

Our coaches will focus on mastering essential lacrosse skills. We will cover cradling, which involves protecting the ball while moving, and passing and catching, crucial for team play. Shooting aims to score with power and accuracy, while ground balls focus on quickly gaining possession. Dodging techniques help players evade defenders. Together, these skills form the foundation of effective lacrosse play and will enhance your overall game performance. If you have your own equipment, feel free to bring it.

On Apr 30 early dismissal, the program will run at regular time from 3-4pm
